

**South & Mid Wales Cave Rescue Team**

**Tim Achub Ogofau De a Chanolbarth Cymru**

## **CAVE RESCUE PRACTICE, AUCTION OF EQUIPMENT AND BBQ SATURDAY 4<sup>TH</sup> JUNE 2016**

The Team will be holding a Cave Rescue practice in Eglwys Faen, testing out, and training people in the use of underground communications including the new Cave Link system, as well as stretcher carrying techniques. The practice will start at **09:30am** at **Whitewalls, Llangattock**.

The rescue practice will be followed by an auction of equipment that has recently been retired from the Team's equipment store and will include a variety of static and dynamic ropes as well as **Petzl hardware** such as **Grigris, karabiners** etc; Ropes in the auction are

nearly new and virtually unused and include **Edelrid 11mm Superstatic** in lengths of 22, 30, 50 & 100m lengths. Other items for auction include **tackle bags, VARTA Batteries** and other equipment donated to the Team.

The Auction will **start at 5:30pm** and will be hosted by Pete Francis, a very experienced Cave Rescue Auctioneer from west Wales. Bidding will be extremely lively and with a considerable degree of humour, if past auctions are anything to go by! A BBQ will be held in the Whitewalls garden with Sausages, Burgers, a Vegetarian option, and salad stuffs being on offer, as well as home baked cakes and a barrel of beer. All will be sold at a very reasonable price.

So, if you want to hone your Cave Rescue skills, bid for some equipment, eat food and socialise with SMWCRT Team members and other cavers, please come along to all, or part of the day.

**PLEASE SUPPORT YOUR CAVE RESCUE TEAM**
